Golden Card ID:

Postal Address:

Main Complaints–

1. Presenting Complaint 1..... 2..... 3.....
1. Associated Complaints (related to main complaints)
 - 1.....2.....3

I. History

1. History of present illness
2. History of past illness
3. Family History
4. Personal History
5. Treatment History
6. Sexual/Social/Occupational etc.

II. Examination

1. Physical Examination –

Pulse....., Respiration....., Temperature....., Blood Pressure.....
Weight/Height.....Built.....Scalp.....Eyes.....Nose.....Oral Cavity.....
Tongue..... Neck Glands..... Nails..... Edema..... Lymph Nodes.....Pallor/
Anemia..... Cyanosis..... Jaundice Pigmentations.....other.....

2. Systemic Examination -

2.1 Respiratory System-

a. Inspection-

Respiratory Rate & Rhythm.....
Shape and symmetry of the chest.....
Nose
Throat
Cyanosisothers

b. Palpation -

Confirmation of respiratory moments
Position of Mediastinum
Tenderness others

c. Percussion -

Resonant - normalabnormal
Cardiac dullness - normalabnormal
Liver dullness - normal abnormal

PitchGrade.....
 Pericardial rub –Present Absent
 Others

2.3 Gastrointestinal System/Per-abdominal Examination –

Oral Cavity –

Lips – FissureCracks Discoloration
 Teeth – Dental caries – Present Absent
 Tongue – CoatingFasciculation..... Cracks Wasting
 Tonsils – Enlargement Normal

Per Abdomen -

Inspection –

Shape - Normal Abnormal
 Movements with respiration
 Umbilicus- Inverted Everted.....
 Hernial orifices – Epigastric Umbilical..... Inguinal.....
 Femoral..... Incisional
 Visible blood vessels – PresentAbsent
 Striae – Present Absent Others

Palpation -

Tenderness rigidity
Liver – Size Tender Margin Consistency.....
Spleen - size Tender Margin Consistency.....
Swelling – Present Absent
Rebound tenderness – Present Absent
Percussion – Free fluid – PresentAbsent
 Dullness grade 1..... 2..... 3.....Present Shifting
Auscultation–Peristaltic sounds – PresentAbsent
 Rubs - Hepatic..... Splenic
Others – Per Rectal examination -

2.4 Central nervous system –

Mental Status – Consciousness – DrowsinessStupor..... Semi coma.....Coma.....

Memory – Loss Normal

Orientation of Time and Place –PresentAbsent

Speech –Dysarthria..... Dysphasia.....

General behavior – Normal Abnormal

Hallucinations and delusions

Gait – Ataxic gait..... Antalgic gait..... Cerebellar gait

Hemiplegic gait Spastic gait..... Scissor gait.....Others

Cranial Nerve Examination – from 1st to 12th cranial nerve finding details.....

.....

.....

.....

Motor system –

Nutrition /Muscle bulk.....

Muscle power / strength score 0..... 123.....4.....5.....

Muscle tone– Hypotonia Hypertonia Rigidity.....

Co-ordination – UL- Finger nose testFinger test

LL- Knee heal test

Involuntary Movement – Fasciculation Tremors..... Chorea Athetosis.....

Sensory System –

Superficial – TouchPain Temperature

Deep - Crude touch Vibration.....Joint sense

Cortical – Tactile localization..... Tactile discrimination..... Tactile extinction

Others

Cerebellar System – Involuntary Movement..... Nystagmus.....Speech Hyptonia.....

Tremor.....And other

Meningeal signs –Neck stiffness Kernig’s sign.....

Brudzunski’s sign.....

Reflexes / Jerks –Glabellar Tap..... Corneal and Conjunctival reflex.....

Palatal Pharyngeal

Abdominal reflex- Upper Middle Lower.....

Plantar Reflex Jaw Jerk Knee reflex.....
Ankle reflexand others

Others

III. Investigation Advised –

- 1. **Blood:**
.....
- 2. **Urine:**
.....
- 3. **Sputum:**
.....
- 4. **CSF:**
.....
- 5. **X-ray:**
.....
- 6. **CT:**
- 7. **MRI:**
- 8. **Others**
.....

IV. Provisional Diagnosis –

Specialty code.....

Package code

v. Treatment Given-

Rx,

VI. Daily Notes / Operation Notes –
(Details of surgical procedures)

VIII. Investigation report (Finding) –

IX. Final Diagnosis–

Specialty code.....

Package code

X. Discharge summary

IPD No.:

Patient Name:

S/o.....M/F.....

Admission Date:Time of Admission:

Discharge Date:Time of Discharge:

Attending Physician (Primary doctor):

Treating Physician:

Consulting Physician:

Course during Treatment (From Condition on Admission to Condition on Discharge during Hospital stay).....
